

Thank you so much for teaching this class! I was really nervous on some things that I was unsure about but you went above and beyond on explaining everything. I now feel a lot more confident about handling other cases and how to handle a patient to the best of everyone's advantage. I really hope to see you in future seminars, you're an excellent instructor and thank you so much again. Bless all the people who get to be taught by you.

Great Course! Great lecturer!

Great person! I always get  
some more insight when Atilla  
is involved.

I like that the instructor (Dr. Nagy) is very thorough about everything. Thank you so much for answering all of our questions. This class really opened my eyes on how to look and think outside the box. I learned a lot on how to diagnose class II cases. I was an ortho assistant for 5 yrs but this class have all the answers for all the questions that I had since day one. Thank you Dr. Nagy and POS.

(Dr.Nagy)

You were awesome. Just a lot of info  
to retain in a short period

Great class- This was my 1st experience  
attending these classes great information  
Kept my attention. The whole class.  
Thank you.

Instructor is very willing to teach and answer  
everyone's questions.

instructor made the learning experience fun & interesting. I liked most that he would share his personal experience.

Great instructor

Great weekend! I (we) learned a lot.  
My assistant understand her role more and  
feels more confident. I learned a lot  
of tricks. Dr. Nagy was very informative  
and very entertaining! I love when  
instructors are entertaining. It's more  
fun to laugh when sitting in a room  
for 8hrs.

Very informative, built a lot more knowledge in the ortho field & feel much more confident in assisting. Also the course & Dr. Nagy was very thorough in teaching the software & tracing models / cephs to complete excellent ortho records.

Dr. Nagy is Amazing! Great  
Instructor and very knowledgeable  
Thank you so much for the great  
class! ☺

This Dr. is an  
amazing presenter  
Clear!

Thank you for making this 3 day seminar fun and keeping everyone on their toes. I hope to take this class again to have an even better understanding. I am excited to start a new 1<sup>st</sup> case w/dr.

love has the flow is, DR. Nagy  
made sure we are all on track  
and on the same page.

great-great Instructor full of great Information  
Lots of Knowledge

Thank you for all your hard work  
effort in this seminar!

I learned a lot, and enjoyed learning  
about ortho, as well as all the other  
fun stories!

Great seminar!

Dr. Nagy gave us so much info  
it was great. He is great at teaching  
and hands on. Dr Nagy is great  
at what he does. Can't wait  
to see his office or have him  
come back to our office.

Great job and Thank you for the additional helpful comments and suggestions !!

Dr. Nagy did a fantastic job relaying all this information. He kept us engaged. He is a dynamic speaker. I felt like I wanted to be a sponge and soak up all of his knowledge. He has a great personality for speaking!

You are a Great Instructor! Im sure you  
have a ~~team~~ Great team back home! Thank you  
For Coming and Teaching us.

Ps I added you clinic on FB U

I would love to come down and take turns sending staff down to shadow and work amongst your team to witness the magic.

I have a list of things to email you for (consent examples, etc -)

You have a great teaching method - the staff that were engaged were able to retain information.

Very knowledgeable and informative  
I've learned a lot about orthodontics this  
weekend. De Nagy is very good speaker,  
easy to talk too and answered every question  
I had. It was great to learn what makes  
his practice successful and learned great  
tips on how to improve and be a better  
team player. Thank you so much and  
I hope you have a safe trip home

I really liked the learning / teaching style of our instructor. I was able to understand and learn a lot of different information.

- 
- very entertaining + funny

Teacher was great. I appreciated  
how he took time to explain  
when questions were asked.

Great Seminar! enjoyed it very  
much, learned a lot. Feel more  
confident as an ORMO assistant!  
Cant wait to get back and keep excelling  
in my career ~~in~~ field & job! Very excited  
to see where this path takes me!

ORMO  
Rocks! ☺

I REALLY ENJOYED THE LECTURE! VERY INFORMATIVE, AND  
DR. NAGY MADE THE LECTURE FUN. I LEARNED HOW TO  
MAKE ORGANIC BACON! :)

Loved his personality kept us  
laughing.

Thank you very much Dr Nagy!!  
I took this course last year and felt lost.  
you explained everything well and  
I loved how you included everyone.  
and ?'s were welcomed !! Hope to  
take another course again !!
